In re Application of :  
Balint et al. :  
Application No. 10/677,131 : LETTER REGARDING  
Filed: September 30, 2003 : PATENT TERM ADJUSTMENT  
Atty Docket No.021167-001100US:

This is in response to the "COMMUNICATION - LETTER OF CANDOR AND GOOD FAITH REGARDING PATENT TERM ADJUSTMENT," filed July 8, 2008. Pursuant to their duty of candor and good faith to the Office, applicants request review of the patent term adjustment indicated on the Notice of Allowance.

The request for review of the patent term adjustment is **GRANTED**.

The Office has updated the PAIR screen to reflect that the correct Patent Term Adjustment (PTA) determination at the time of the mailing of the Notice of Allowance is forty-four **(44)** days. A copy of the updated PAIR screen, showing the correct determination, is enclosed.

On April 9, 2008, the Office mailed the Determination of Patent Term Adjustment under 35 U.S.C. 154(b) in the above-identified application. The Notice stated that the patent term adjustment to date is 211 days. Applicants request review of any adjustments to the Patent Term as a result of the submission of the Request for Continued Examination (RCE) filed on October 22, 2007 and the Supplemental Amendment filed on January 3, 2008 in response to the Final Office action of April 20, 2007.

A review of the record confirms that in response to the Office action mailed April 20, 2007, applicant did not file an RCE

until October 22, 2007, three months and 94 days later. As such, a period of reduction of 94 days should have been entered pursuant to 37 CFR 1.704(b).

In addition, after the filing of the RCE on October 22, 2007, on January 3, 2008, applicants filed a supplemental response. This response was not expressly requested by the examiner. As such a period of reduction of 73 days should have been entered pursuant to 37 CFR 1.704(c)(8).

As such, the correct initial determination of the patent term adjustment at the time of the mailing of the notice of allowance is forty-four (44) days.

As this letter was submitted as an advisement to the Office of an error in Applicants' favor, the Office will not assess the \$200.00 fee under 37 CFR 1.18(e). The Office thanks Applicants for their good faith and candor in bringing this to the attention of the Office.

The application is being forwarded to the Office of Data Management for issuance of a patent. The patent term adjustment indicated on the patent (as shown on the Issue Notification mailed about three weeks prior to patent issuance) will include any additional adjustment accrued both for Office delay in issuing the patent more than four months after payment of the issue fee and satisfaction of all outstanding requirements, and for the Office taking in excess of three years to issue the patent (to the extent that the three-year period does not overlap with periods already accorded and the period is not consumed by the request for continued examination).

Telephone inquiries specific to this matter should be directed to the undersigned at (571) 272-3219.

Nancy Johnson
